

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

INVESTIGATION OF THE KENTUCKY)	
INTRASTATE RATES OF SOUTH CENTRAL)	CASE NO. 10105
BELL TELEPHONE COMPANY, INC.)	

O R D E R

On August 26, 1988, South Central Bell Telephone Company, Inc. ("SCB"), by counsel, filed a confidentiality petition requesting that the Commission treat as confidential SCB's response to an oral request made on August 23, 1988 during the hearing. The information consists of a priceout for MTS/WATS of the proposed \$5.5 million reduction. In support of its motion, SCB states that its competitors could ascertain revenues and expenses associated with Kentucky operations, that the data is unique to SCB, that the material is not known outside of SCB nor widely disseminated within SCB, and the nondisclosure of the information will not damage any public interest.

The Commission, being advised, is of the opinion and finds that SCB's motion for confidential treatment of its response to the oral request made on August 23, 1988 should be granted pursuant to 807 KAR 5:001, Section 7.

BE IT SO ORDERED.

Done at Frankfort, Kentucky this 29th day of September, 1988.
